STAT

Mr. Mattox was briefed on the background, organization, and activities of the Voluntary Investment Plan and was shown a copy of the latest balance sheet and the performance record of the Plan in 1975. Mr. Mattox expressed satisfaction with the briefing and indicated that he probably had enough information to satisfy the questions raised by Congressman Kasten. The only documentation he requested was a copy of the trust agreement and a memorandum related to the IRS approval of the Plan. [redacted] agreed to forward these documents through the Review Staff to Mr. Mattox.
